JULY

8 - 24

10am to 4pm

TE WAI NGUTU
KĀKĀ GALLERY
Gallery 3
27 St. Paul St
Tāmaki Makaurau

This exhibition forms part of an AUT approved research project investigating visitors' experiences of engaging with handmade textile-based support objects.

Visitors may choose to view the exhibition only or engage with selected objects where invited.

A questionnaire will be available for visitors who wish to share their experiences of engaging with the exhibition and the objects on display.

Questionnaire participation is intended for adults aged 18 years and over.

No photography, video recording, audio recording, or observation will occur as part of the research.

For further information, please refer to the Exhibition Information Notice available at the exhibition or contact the Lead Researcher: Email - leica.johnson@aut.ac.nz
